CARNAHAN BROTHERS, Marion, Ky.

BURLEY TOBACCO GROWERS SETTLE DIFFERENCES.

Differences between the American Society of Equity and the Burley Tobacco Society were settled last night and only one pool of the Burley tobacco will be made in Kentucky. It is said this will mean millions of dollars to the tobacco growers of the state.

Twenty-five feet distant from the building where the best of Kentucky's chief product—tobacco—was exhibited the State Union Board of the American Society of Equity and the American Society of Equity, Department of Tobacco Growers, following a joint meeting of the two bodies, held at the State Fair grounds, officially adopted the pledge of the Burley Tobacco Society by ratifying the agreement made between Senator J. Campbell Cantrill, the president of the State Union Board of the American Society of Equity, and the Burley Tobacco Society.

This followed an earnest appeal by Senator Cantrill, urging the society not to form a pool of its own, as two pools in the Burley belt would mean a failure and with only one in the field its success was assured. C. O. Drayton, of Greenville, Ill., national president of the American Society of Equity, and M. F. Sharp, of Bowling Green, vice president of the society and Dr. C. F. Creelhus, of Falmouth, Ky., a member of the Burley Tobacco Society who acted as an arbitrator between the societies, attended the meeting.

Flood of Money For Kentucky.
The action of the tobacco growers yesterday afternoon means fifty million dollars to the producers, according to Garrett M. Ward, editor of the Equity Farm Journal, the national organ of the American Society of Equity. He added that the output will be increased to \$100,000,000 and the growers will receive double the price for the tobacco now that the success of one pool is assured.

Because of a pledge of their own,

the A. S. of E. Department of Tobacco Growers, did not officially indorse the pooling of the Burley Tobacco Society until yesterday afternoon. Clarence LeBus, president of the Burley Tobacco Society, did not attend the meeting at the State Fair yesterday.

It was Equity day and tobacco growers from every part of the State were in attendance. Several speeches had been planned, but these were declared off and it was decided to hold a joint meeting of both organizations.

This meeting was held to the north of the horticultural exhibit in the open. The advisability of placing two pools in the Burley district was then discussed. Senator Cantrill put up a strong plea, urging the tobacco growers to accept the agreement of the Burley Tobacco Society.

Two Pools Wouldn't Do.
President E. L. Davenport, of Cinsney, Ky., of the A. S. of E. Department of the Tobacco Growers, stated that he agreed with Senator Cantrill that two pools wouldn't be successful, but asked the Burley tobacco growers to grant one more concession and recognize a preference to the American Society of Equity.

After a lengthy discussion the joint meeting adjourned. Members of the State Union Board of the American Society of Equity withdrew to a secluded spot of shrubbery at the west end of the State Fair grounds after the meeting was over. When they returned they instructed the secretary to make public the following official report of the meeting:

Official Report of Meeting
"Louisville, Ky., Sept. 17.—The Kentucky State Union, A. S. of E., met pursuant to a previous call by President Cantrill. The following members were present; Phos. E.

Barrett, of Henderson; Ben Watson, of Dixon; J. H. McConnell, of Princeton, and G. M. McMullen, of Butler, Ky. Geo. C. Davis was absent. President Cantrill called the meeting to order, after which Mr. McConnell moved that we ratify the action of Mr. Cantrill in accepting certain proposition as offered by the Burley Tobacco Society at Winchester, Ky., August, 10, and which had been formerly ratified by the State Board of A. S. of E. in session September 11.

"Be it resolved, that Secretary, S. B. Robertson be and is hereby instructed to officially notify each local union of A. S. of E. in the State of Kentucky of the action as set forth in the first motion and in a circular letter urge all members all members of the American Society of Equity to pool tobacco with the Burley Tobacco Society."

Until 7 o'clock last night the board of directors of the American Society of Equity, department of tobacco growers, discussed the question. They squatted on the ground when the members got tired. Then those who were watching the gathering saw them stand. Then they would sit again. Finally R. E. Blake, the secretary, gave out the following resolutions, which were unanimously adopted by the board: What the American Society Did.

"The board of directors of the American Society of Equity, department of tobacco growers, in special session in Louisville, Ky., Sept. 17, 1909, adopted the following resolutions without a dissenting vote; Resolved—First. That we indorse the action of the board of directors of the Kentucky State Union, A. S. of E. in ratifying the agreement made between State President Cantrill and the Burley Tobacco Society.

"Second—That we urge all members of the A. S. of E. who are growers to lend all possible assistance to the Burley Tobacco Society in making the pool successful by signing their tobacco to the pool.

"Third—We believe that there should be but one Burley pool and all unite in fighting for a common cause. With every man doing his whole duty, you will succeed equally

as well in the future as you have in the past. Remember the pool closes Oct 1, you have only thirteen days left and what you do must be done at once." (Signed) E. L. Davenport, president of the A. S. of E. department of tobacco growers; R. E. Blake, secretary; H. E. Routt, Crooksville, Ky.; M. O. Hughes, Bowling; J. F. Doss, Greenville, Ky.; J. W. Swallow, Lake, Ind; W. Bibb, Sacramento, Ky; A. A. Clark, Georgetown, O., and H. F. Ray.

WHAT IS HYOMEI?

You Have Heard About the Catarrh Cure Haynes & Taylor Guarantees.

Hyomei is a wonderful antiseptic, so powerful that it promptly destroys germ life, yet its action on the mucous membrane is extremely soothing and healing. It relieves catarrh in five minutes; it cures in a few weeks or money back.

It is made chiefly of eucalyptus and eucalyptol taken from the eucalyptus forests of Australia. The medical profession knows that eucalyptus is an absolutely certain germ destroyer and with the active principles of eucalyptus as a base Hyomei is made more efficient, pleasant and quick acting by the addition of Thymol, an antiseptic and disinfectant largely employed in the Listerian System. Guaiacol and other important medicinal agents are also included in the Hyomei formula, which without doubt, is the greatest destroyer of catarrh germs the world has ever known.

Hyomei is a powerful, penetrating antiseptic that is pleasant to use. It does not contain a particle of cocaine, opium or any habit-forming or injurious drug.

No dosing the stomach when you use Hyomei. Just breathe it in through the small inhaler that comes with each outfit. Sold by leading druggists everywhere and in Marion by Haynes & Taylor. \$1.00 for complete outfit.

MI-ONA

Cures indigestion

It relieves stomach misery, sour stomach, belching, and cures all stomach diseases or money back. Large box of tablets 50 cents. Druggists in all towns.

Grand Millinery Opening.

I Cordially invite all of my friends and customers to visit my Millinery Store on the Opening days, Sept. 29th, and 30th, which is next Wednesday and Thursday. My stock is a beautiful one and would be glad all could see it, feeling assured if they did so, they would buy from me instead of going elsewhere. Thanking my many customers for their liberal patronage in the past and hoping to see all of you on my opening days I remain yours truly.

MRS. L. M. DAVIDSON.

School Improvement Contest.

As announced at the County Teachers' Institute, Marion business and professional men are offering cash prizes fifteen, ten and five dollars to the three Crittenden county districts outside of Marion which raise the largest amounts, in proportion to their census, for improving their respective school houses school grounds, or buying libraries.

This contest closes Oct. 15. A report of money raised is to be sent to County Supt. Paris on or before the above date. The smallest district in the county has a good chance to win the first prize. All money raised remains with the district whether it wins a prize or not.

Twenty five or thirty district are working hard for these prizes, and much good will certainly result. Teachers, be sure to send your reports to the Supt. on time. Include in your report only funds actually paid in. Subscriptions unpaid at the date given above will not be counted in the C contest.

The following firms and individuals have contributed to the prize fund; T. H. Cochran. C. S. Nunn, Jno. H. Moore, Haynes & Taylor, F. W. Nunn, Walter McConnell, I. H. Clement, Yandell—Gugenheim Co.; J. H. Orme, N. E. Calmes, Taylor & Cannan. A. S. Cavender, Dr. T. A. Frazer, C. E. Weldon J. P. King and J. W. Blue.

Death of Little Sidney Hall.

Sidney Hall, little son of Will and Fannie Hall, was born, Oct. 13th, 1904, and died, Aug. 26th, 1909. His age was five years, one month and seventeen days. He leaves father,

er, mother, two little brothers, a host of friends and relatives to mourn their loss. His body was laid to rest in the Pleasant Hill cemetery. Just two months before Sidney died, his grandpa, who was B. F. James, was buried there. After they returned home, Sidney told his parents that when he died he wanted to be buried close to grandpa. Oh, what a blessed thought it is to have such a kind and loving grandpa, that the little children will love and cling to him as long as life last, and after death want to be buried close to him. He was always ready to embrace his children when they would come to see him. He would have them stand around his chair and bedside during his sickness, and then how he loved them and how their presence cheered him. His wife was always by his side to cheer and comfort him, and now Sidney and grandpa are both in Heaven.

A few days before Sidney died he said, "mama, I am a little angel," and he would use his little arms as if they were wings. It wasn't but a few days until he was a little angel. The Lord called him to join the angels he was speaking of. Oh, how sad it is to part with such a loving child. Dear parents we know you are sad and lonely and miss that bright little face and cheerful words and will listen for them little footsteps you have so often heard, but will hear them no more. Although you have two other little boys to cheer you, there is a vacant place which never can be filled, but we must submit to the Lord's will. It seems so hard but the Lord knoweth best while he has seen fit to take Sidney away, think what a glorious thought that he has prepared a home where we can all meet our loved ones where there will be no sorrow, sickness nor separations but will be joy, light and gladness where we can live together through all eternity.

Dear bereaved ones may the Lord be with you in your lonely sorrow is our prayers.

Sidney's Cousin.

Farm Bargain.

One hundred and fifty (150) in the Repton Valley, no waste land, well watered, 12 acres in timber, excellent neighborhood, beautiful location on rural route, two good houses, large barn, crib and stables.
